Patients are treated with the utmost respect, and your care is our #1 concern.

Mutual respect is very important to us. We do not overbook in our office; we try very hard to adhere to our schedule. That is why it is important that you be on time for your appointments. For your convenience we can text and/or email your appointment reminder or if you prefer confirm by phone. Also, we realize that emergencies may occasionally arise that may make it impossible to keep your appointments. We do ask that you give us 24 hours notice on any cancellations.

Enclosed you will find; a health history, HIPPA information, and dental insurance information. We do not participate in any insurance plans.
